

Cindy Guzmán

Web Developer & UX/UI Designer

Santo Domingo, Dominican Republic | cindyclaralid@gmail.com | claralid.com | linkedin.com/in/claralid

PROFESSIONAL SUMMARY

Web Developer and UX/UI Designer with 8+ years of experience designing, building and maintaining responsive websites, digital platforms and product interfaces. Strong background in WordPress and CMS-based development, supported by UX research, information architecture, prototyping and front-end fundamentals. Uses AI-assisted development workflows to move product requirements and interface designs toward tested, functional releases.

CORE SKILLS

Web Development & CMS: WordPress, Joomla, Shopify, PrestaShop, DSpace, HTML, CSS, basic JavaScript, responsive implementation, website maintenance, deployment

UX/UI & Product Design: UX research, user flows, information architecture, wireframing, interface design, prototyping, design systems, usability, accessibility considerations

Development Workflow: Git (basic), GitHub, Visual Studio Code, Cursor, Claude Code, Codex, Antigravity, AI-assisted debugging and testing

Design Tools: Figma, Framer, Adobe Photoshop, Adobe Illustrator, Affinity, Canva

PROFESSIONAL EXPERIENCE

Digital Content & Publications Coordinator | UNPHU | Aug 2025 – Present

Coordinate websites, applications, digital content and publications for the Vice-Rectorate of Research, Extension and Internationalization Projects across institutional platforms.

UX & Editorial Designer, Academic Journal | UNPHU | Oct 2023 – Present

Lead UX and editorial design for the Journal of Sciences and Humanities, shaping web presentation and reader experience for peer-reviewed content.

UX/UI Designer (Contract) | ICQ24 Inc. | Apr 2023 – May 2024

Delivered UX/UI design for the Cervecería Nacional Dominicana account, translating business and user needs into clear, usable interfaces with a multidisciplinary, multinational team.

Web Developer | Behealth PR | Jun 2022 – Aug 2024

Built, updated and maintained production websites for a Puerto Rico-based healthcare client, improving content delivery, usability and day-to-day reliability.

UX/UI Designer (Temporary Project) | Cervecería Nacional Dominicana | Sep 2022 – Feb 2023

Translated business and user needs into clear, usable interfaces while collaborating with a multidisciplinary, multinational team.

Web Department Coordinator | Gmedia Dominicana | Aug 2019 – Nov 2021

Coordinated web production, client relationships and a small team; built and maintained WordPress, Joomla and Shopify websites for multiple clients.

Web Page & Graphic Designer | Zagirova Design | Apr 2017 – Jul 2019

Designed and built WordPress and Joomla websites with WooCommerce, SEO and Elementor, alongside graphic design and social media assets.
